

Ride-on ADB-HS "High-Speed"

The latest generation of the industries work horse

Features

- Most powerful battery powered ride-on stripper
- Very quiet operation without exhaust gases and no blade vibrations
- Extremely robust construction of the chassis and controls for a long life
- Simple, very precise operation by high-quality hydraulic control
- Charger securely installed in the machine
- Battery management system with automatic switch-off to protect against total discharge of the batteries
- Comfortable, adjustable seat with armrests
- Almost maintenance-free thanks to hydraulic technology
